

HELP PREVENT FRAUD AND UNETHICAL ACTIVITY

Fraud and ethical issues can have a devastating impact on a company, from its finances to its reputation to its employees.

To help ensure our long-term productivity and prosperity, early prevention and detection is critical. If you suspect fraudulent or unethical activity is taking place, contact our confidential Ethics Alert Hotline at:

Call:	1-866-529-9589
Text:	587-435-9589
Email:	ethics.alert@mnp.ca

The Hotline is independently operated by a third party to ensure confidentiality and anonymity in reporting suspected fraud, ethical breaches, and crimes.
